PROFILE

I am a passionate and driven Software Engineering student with a strong enthusiasm for technology and innovation. Currently building a solid foundation in software engineering principles, I strive to stay updated with the latest industry trends. I possess a growth mindset, a knack for problem-solving, and a dedication to applying my knowledge in practical, real-world scenarios. My adaptability, analytical skills, and attention to detail enable me to excel in collaborative environments. My goal is to contribute to impactful projects and make a positive difference in the field of software engineering while continually advancing my skills and expertise.

EDUCATION

GCE Ordinary Level (O/L)	Jun 2022
Nakano College, Bandaragama • Achieved 4Cs, 2Bs, 1S, and 2Ws	
Certificate in Software Engineering at NIBM • Acquired proficiency in programming languages such as C#	Jul 2022 – Nov 2022
Diploma in Software Engineering National Institute of Business Management (NIBM – Sri Lanka), Colombo • Has around three to four repeats with the final project	Mar 2023 – Present
Full Stack Web Development with MERN Stack Certificate Dec 2024 – Present Program SKYREK • Underway on learning web development using MERN	
Higher National Diploma in Software Engineering ANC School of Postgraduate Education, Colombo • B.s.c(Hons)Information Technology	Dec 2024 – Present

SKILLS

Programming Languages: C, C#, Java, C++

Web Development: HTML, CSS, JavaScript, PHP

Frameworks and Tools: MERN Stack (MongoDB, Express.js, React.js, Node.js) Thinking

Other Skills: Problem-solving, Adaptability, Analytical

This resume is made with CVwizard.com.

Linux OS

Has worked using (Oracle VM VirtualBox)

LANGUAGES

Sinhala

English

HOBBIES

- Exploring new destinations and adventure activities
- Coding and building innovative solutions
- Riding and exploring new places
- Singing

- Enjoying solitude to focus on personal growth and development
- Learning new things, gaining knowledge about various topics, and enhancing my skills

COURSES

Full Stack Web Development with MERN Stack Certificate Program

Feb 2025

CERTIFICATES

Certificate in Software Engineering

Jul 2022

- Acquired proficiency in programming languages such as C#

Full Stack Web Development with MERN Stack Certificate Program

Present

- Underway on learning web development using MERN

PROJECTS AND

EXPERIENCE

Website for Sakuraa Products:

I successfully created and launched a website for Sakuraa Products as part of my diploma project, demonstrating my skills in web development and design. The website is now live and hosted on Google.

SKYREK Project Website :

Created and launched a fully functional website during the SKYREK certificate program, demonstrating my expertise in full stack development.

ACHIEVEMENTS

- *Successfully completed multiple certifications in software engineering and web development, laying a strong foundation for my technical expertise.*
- *Gained practical experience by independently creating and launching professional websites*
- *Continuously pursuing higher education in software engineering to enhance my technical and theoretical knowledge.*
